## Contents

Bagge, P. & Meriläinen, J. J.: The occurrence of water mites (Acari: Hydrachnella) in the estuary of the River Kyrönjoki (Bothnian Bay) .....	123-127
Bondrup-Nielsen, S.: An evaluation of the effects of space use and habitat patterns on dispersal in small mammals .....	373-383
Bondrup-Nielsen, S. & Karlsson, F.: Movements and spatial patterns in populations of <i>Clethrionomys</i> species: A review .....	385-392
Bujalska, G.: Regulation of female maturation in <i>Clethrionomys</i> species, with special reference to an island population of <i>C. glareolus</i> .....	331-342
Forstén, A.: <i>Hipparrison primigenium</i> from Höwenegg/Hegau, FRG .....	417-422
Fuller, W. A.: Demography of <i>Clethrionomys gapperi</i> , parapatric <i>C. rutilus</i> , and sympatric <i>Peromyscus maniculatus</i> in northern Canada .....	229-241
Fuller, W. A.: <i>Clethrionomys gapperi</i> : Is there a peak syndrome? .....	243-255
Gipps, J. H. W.: Spacing behaviour and male reproductive ecology in voles of the genus <i>Clethrionomys</i> .....	343-351
Gustafsson, T. O.: Sexual maturation in <i>Clethrionomys</i> .....	303-308
Gustafsson, T. O. & Batzli, G. O.: Effects of diet and origin of animals on growth and reproduction of <i>Clethrionomys glareolus</i> .....	273-276
Hackman, W. & Väistönen, R.: The evolution and phylogenetic significance of the costal chaetotaxy in the Diptera .....	169-203
Hansson, L.: <i>Clethrionomys</i> food: Generic, specific and regional characteristics .....	315-318
Hansson, L.: Geographic differences in bank voles <i>Clethrionomys glareolus</i> in relation to ecogeographical rules and possible demographic and nutritive strategies .....	319-328
Hansson, L. & Henttonen, H.: Regional differences in cyclicity and reproduction in <i>Clethrionomys</i> species: Are they related? .....	277-288
Henttonen, H., McGuire, A. D. & Hansson, L.: Comparisons of amplitudes and frequencies (spectral analyses) of density variations in long-term data sets of <i>Clethrionomys</i> species .....	221-227
Holopainen, I. J. & Pitkänen, A.: Population size and structure of crucian carp ( <i>Carassius carassius</i> (L.)) in two small, natural ponds in Eastern Finland .....	397-406
Ims, R. A.: The effect of pregnancy failure on the onset of reproduction in sympatric populations of <i>Clethrionomys rutilus</i> and <i>C. rufocanus</i> .....	309-312
Kansanen, P. H.: Assessment of pollution history from recent sediments in Lake Vanajavesi, southern Finland. II. Changes in the Chironomidae, Chaoboridae and Ceratopogonidae (Diptera) fauna .....	57-90
Kansanen, P. H. & Jaakkola, T.: Assessment of pollution history from recent sediments in Lake Vanajavesi, southern Finland. I. Selection of representative profiles, their dating and chemostratigraphy .....	13-55
Karling, T. G.: Revision of Byrsophlebiidae (Turbellaria Typhloplanoida) .....	105-116
Kilpi, M. & Saurola, P.: Movements and survival areas of Finnish common gulls <i>Larus canus</i> .....	157-168
Korppimäki, E.: Prey choice strategies of the kestrel <i>Falco tinnunculus</i> in relation to available small mammals and other Finnish birds of prey .....	91-104
Kurtén, B.: The Pleistocene lion of Beringia .....	117-121
Mihok, S., Schwartz, B. & Iverson, S. L.: Ecology of red-backed voles ( <i>Clethrionomys gapperi</i> ) in a gradient of gamma radiation .....	257-271
Mikkonen, A. V.: Establishment of breeding territory by the chaffinch, <i>Fringilla coelebs</i> , and the brambling, <i>F. montifringilla</i> , in northern Finland .....	137-156
Mills, C. A. & Eloranta, A.: The biology of <i>Phoxinus phoxinus</i> (L.) and other littoral zone fishes in Lake Konnevesi, central Finland .....	1-12
Pekkarinen, M.: Exoskeletons of kinorhynchs in tissues of the bivalve <i>Macoma balthica</i> in the Baltic Sea, southwestern Finland .....	407-410
Pynnonen, K.: The structure of long distance (antennular) chemoreceptors in <i>Saduria entomon</i> (L.), Isopoda, and their role in feeding behaviour .....	423-432
Rask, M. & Arvola, L. L.: The biomass and production of pike, perch and whitefish in two small lakes in southern Finland .....	129-136
Stenseth, N. C.: Professor Olavi Kalela .....	208-210
Stenseth, N. C.: The Konnevesi symposium on <i>Clethrionomys</i> biology. Preface .....	211-214
Stenseth, N. C.: Geographic distribution of <i>Clethrionomys</i> species .....	215-219
Stenseth, N. C.: The Konnevesi symposium on <i>Clethrionomys</i> biology. Conclusions: A speculative account .....	393-395
Stenseth, N. C. & Gustafsson, T. O.: Reproductive rates, survival and cyclicity in <i>Clethrionomys</i> species: Some theoretical considerations .....	289-301
Tenora, F., Haukisalmi, V. & Henttonen, H.: <i>Andrya kalelai</i> sp. n. and (?) <i>Anoplocephaloides</i> sp., Cestoda, Anoplocephalidae, parasites of <i>Clethrionomys</i> -rodents in Finland .....	411-416

Viitala, J. & Hoffmeyer, I.: Social organization in <i>Clethrionomys</i> compared with <i>Microtus</i> and <i>Apodemus</i> : Social odours, chemistry and biological effects .....	359-371
Vepsäläinen, K. & Nummelin, M.: Female territoriality in the waterstriders <i>Gerris</i> <i>najas</i> and <i>G. cinereus</i> .....	433-439
Vepsäläinen, K. & Nummelin, M.: Male territoriality in the waterstrider <i>Limnoporus</i> <i>rufoscutellatus</i> .....	441-448
Ylönen, H. & Viitala, J.: Social organization of an enclosed winter population of the bank vole <i>Clethrionomys glareolus</i> .....	353-358
